The next series of questions I am going to ask you have to do with what is known as ethnicity. Ethnicity is a word that describes a person's family culture, background or race. I want to know what you think about ethnicity--how you'd describe yourself, and what that description means to you.

318. First of all, tell me what is your racial ethnicity. Use as many words as you need.

\_\_\_\_\_  
\_\_\_\_\_

**[IF RESPONSE INDICATES ETHNICITY IS NOT UNDERSTOOD, SAY:]**

You might use your family background or the country your family comes from, or your cultural group or the color of your skin, or any combination of these.

\_\_\_\_\_  
\_\_\_\_\_

**[IF RESPONSE INDICATES ETHNICITY IS STILL NOT UNDERSTOOD, SAY:]**

For example, out of three White people, one might say he was a Puerto Rican, another might say she was Jewish, a third might say she was a White American. It would be the same with three Black people: One might say he was a Black American, another a Haitian, a third Black and Hispanic.
